Meeting Minutes - Mentor Meeting
October 27th, 2022

Time	Notes
6:15pm	**Meeting Start** ● All team members present
	Feedback on Deliverables ● 15/15 team inventory ● 45/50 mini-intro ● 38/40 team standards
	Tech Feasibility Document ● Due on Friday at 5:00pm ● Vahid will help to give feedback ● Turn in hard copy of document to Vahid before due date ● **Make sure every single problem, step, solution, alternative solutions are outlined for the entire project <u>clearly</u>** ● Make sure to follow the rubric
6:20pm	**Discussion of the Project** ● Make sure to have a clear understanding of the entire project ● Solutions require local file access, Docker doesn't allow for this ● Vahid suggests to talk with the client, ask him all and any questions ● Don't leave any question for the future ● Isiah has solution for non-Docker solution
	Task Report ● Should we put everything for the rest of the semester on the task report? Vahid says to ask Micheal ○ Go to the office ● This week's report submitted to Vahid through email
6:30pm	**Meeting End**
